President's Note:

Summer is in full swing, the 2009 AAMI Convention is behind us, and its time to set our sights on Williamsburg for this year's VBA Annual Meeting. This year's theme is **"Keeping Up With The Times In 2009"**

The event kicks off on Wednesday, September 16, with the Annual Golf tournament at the Newport News Golf Course at Deer Run, then moves to the Kingsmill Marriott on Thursday and Friday. Both mornings will start off with informative Keynote addresses and a continental breakfast followed by some great class sessions and plenty of time to visit with our vendors.

Thursday at lunch we will have a special address from Mary Logan, JD, CAE, who is the new President of AAMI. Mary will tell us about what is going on at AAMI, as well as the future of AAMI under her leadership. Please check

www.VABIOMED.ORG

**Plan now to attend
The VBA's
17th Annual Meeting**

**September 16-18, 2009
at
The Kingsmill Marriott
in
Williamsburg, VA.**

Details inside

www.vabiomed.org for updates on the exact classes and schedules.

One of the highlights of each annual meeting is the announcement of the recipients of the "Biomed of the Year" and the "Manager of the Year" awards. If you know someone who you feel is worthy of one of these awards please see the rules and instruc-

(Continued on page 15)

CERTIFICATE of RECOGNITION

By virtue of the authority vested by the Constitution in the Governor of the Commonwealth of Virginia, there is officially recognized:

BIOMEDICAL EQUIPMENT TECHNICIANS WEEK

WHEREAS, the health and well-being of all Virginians are of great importance, and are improved by the efforts, knowledge and dedication of Virginia's health care professionals; and

WHEREAS, biomedical equipment technicians study, test, inspect, design and repair technical medical equipment in Virginia's hospitals, doctors' offices and clinics, and they help other health care providers and citizens understand how to effectively use the medical equipment for successful treatment; and

WHEREAS, the biomedical equipment technician has the level of education, experience and competence needed to work professionally with physicians, hospital administrators and other personnel regarding the technological aspects of health care delivery; and

WHEREAS, the Virginia Biomedical Association educates health care professionals in the field of biomedical technology and promotes public awareness and knowledge of this branch of health care professions; and

WHEREAS, it is important to recognize the significant role played by biomedical equipment technicians throughout our Commonwealth while stressing the importance of proper use of medical equipment in the health care field;

NOW, THEREFORE, I, Timothy M. Kaine, do hereby recognize September 14-18, 2009 as **BIOMEDICAL EQUIPMENT TECHNICIANS WEEK** in the **COMMONWEALTH OF VIRGINIA**, and I call this observance to the attention of all our citizens.

Governor

Secretary of the Commonwealth

TO: Biomedical Equipment Vendors
FROM: Aldo Nichini, VBA Vice President
DATE: February 21, 2009
SUBJECT: 2009 Virginia Biomedical Association 16th Annual Meeting

We invite you to plan now to exhibit your products and services at the **2009 Virginia Biomedical Association Annual Meeting** on September 16th - 18th at the Kingsmill Marriott, in Williamsburg, Virginia. This is the VBA's 16th Annual Meeting and we have improved opportunities to bring you, the VBA exhibitor, a worthwhile and productive event to attend and support.

This year's theme, ***"Keeping up with the Times in 2009"***, will focus on improving Clinical Engineering practices, performance, customer service, employee skills, and patient safety. The 2009 meeting will find opportune vendor display time with displays located in the meeting area, a geographically central location, and exciting educational opportunities to increase attendance and improve client interaction. Two enlightening Keynote addresses are scheduled on Thursday and Friday mornings to jump-start the day. We recognize the value of vendor support and are targeting biomedical professionals throughout the Commonwealth of Virginia, North Carolina, Maryland and West Virginia.

Forty-Five exhibit spaces, complete with 6' table, skirting and electrical access will be available for exhibitors on a first come first serve basis. Over 7 1/2 hours of vendor exhibit time is scheduled. A complete schedule of classes will be forthcoming. We have two levels of vendor support available this year. Please choose the one that best fits your company needs. Sponsorship opportunities are still available for lunch, breaks and educational speakers. If you have any questions, please contact me at 410-641-9149.

Thank you for your continued support of the VBA. Please complete the enclosed vendor registration form and submit with the appropriate fee by August 18, 2009. Payments can be made on line through Paypal at www.vabiomed.org. Checks should be made payable to the Virginia Biomedical Association and mailed to:

Virginia Biomedical Association
P.O. Box 1958
Yorktown, VA 23692-9998

Hotel Information: For hotel reservations, contact the Williamsburg Marriott (50 Kingsmill Rd, Williamsburg, VA 23185) in Williamsburg, VA at (757) 220-2500 and reference the VBA Meeting. Directions are available by logging on to <http://www.marriott.com/hotels/travel/phfcw-williamsburg-marriott/> and click on directions. Registrants for the VBA Annual Meeting will receive our discounted conference rate of \$129.00/night. This is a per-room rate, so you may stay with a co-worker, friend, or significant other and share the cost! Please make reservations as early as possible (but no later than **August 28th**) in order to receive the discounted rate. There are a limited number of rooms available on a first-come-first-serve basis. Williamsburg is host to a number of conferences that week so hotels will be filling up fast.

We are excited about this year's theme of ***"Keeping up with the Times in 2009"*** and we look forward to seeing you in Williamsburg!

Sincerely,

Aldo Nichini

Aldo Nichini
VBA Vice President

PS- Plan on joining us on Wednesday, September 16th for our Golf Tournament at Newport News Golf Club (www.nngolfclub.com).

Newport HT50 Ventilator Technical Training Class

Presented By:

The VBA is proud to be holding the HT50 Technical Training class again in 2009. Due to high demand we will be hosting the class at our annual meeting on September 17th and 18th 2009. David Goodman with Newport Medical will be returning to present the class for the second year in a row. With David's great personality and expert knowledge of the HT50 Ventilator the attendees will be confident and competent on the HT50 at the end of the two days. This session is a complete and certified Newport HT50 training session, attendees will receive a training Certificate upon successful completion.

This Class will enable you to maintain the Newport HT50 Vent and will cover the following:

- ✦ Theory of Pneumatic Operation
- ✦ Theory of Electronic Operation
- ✦ Electronic Calibration
- ✦ Operation Verification Procedure
- ✦ Removal /Installation of Major Sub Assemblies

Service and Training Manuals Will be provided

Attendee Requirements:

- Attendees need to have adequate training and experience repairing complex medical equipment. A basic understanding of ventilators is desirable as well.
- Each student will need to provide their own HT50 Ventilator from their facility

Each student will need to provide their own tools (required tool list will be e-mailed to the attendee after confirmation of their registration)

Newport Medical does not provide HT50 Vents or tools for the training.

Registration:

The VBA will keep the class size to a maximum of 25 people; therefore we will require preregistration for this class. The first 25 people to register will be accepted into the class. Call Ashley Kindig to register for the class, and then upon acceptance, you will need to register for the VBA Annual Meeting. There is no additional fee for this class beyond the VBA Annual Meeting attendance fee. If interested please register as soon as possible.

If you have any question or to register contact:

Ashley Kindig at 434-982-7095

Computer Classes

Friday September 18th

Kick Up Office 2007 to the Next Level - Sneak Peek of Office 2010
2 hour session

There's a tremendous buzz around the recent releases of MS Office 2007. Please join us for this action-packed session that will allow you to kick up your use of the new Word, Excel, PowerPoint, and Access 2007. You'll learn about the exciting features in the new software, and find out about the hundreds of new tools. This will be a tremendous opportunity for you to gain a better understanding of Microsoft's highly touted, faster, smarter version of MS Office! Also see the other products in Office such as OneNote 2007 and Groove 2007 that can greatly improve your efficiency at work and play! And we will even check out the new Office 2010 coming out next year!

Windows Vista

Vista with Vitality
1 hour session

Get a front row seat to see what is happening with the new operating system called Vista. Vista has some amazing tools like Vista Movie Maker, Snip, and many other tools that could really spice up your class materials. Wait until you see Vista's speech recognition program that allows you to dictate in Microsoft Office 2007, play games, surf the web, and control Window's operations. Vista makes finding files quicker and easier and allows you to really have some fun with gadgets too!

Hot Technologies

Hot Technologies to Make Life Easier!

1 hour session

Warning: Only attend this session if you can handle an exciting and high energy presentation. Take a front row seat to see what is earth-shaking in the Technology World! Come see twenty new technologies that will make your life easier. Have you used Cha Cha yet, or PollEverywhere, or Latitude, and many more cutting edge hot technologies that are all FREE! Expand your boundaries!

Windows 7 Release - Fall 2009 Should I Change to this new Operating System?

1 hour session

Did you know that this fall, Microsoft is already coming out with the next operating system - the new name is Windows 7? Come see the new operating system live and find out if you should upgrade? Wait until you see the multi- touch computer monitors that are hitting the market as well that can work with Windows 7.

Google your Heart out Baby!

1 hour session

Time to think outside the box! Want to add some excitement to your life using Google Earth, Google Space, Google SketchUp, Google Latitude, Google Scholar, and Google Finance. Also learn Google Apps, which is a suite of collaboration and communication applications that includes a document word processing program, a spreadsheet program, a presentation application, a Webpage creator and an e-mail/messaging platform with a calendar like Outlook. And the best part is that it is all free! You can even store your Google documents in a central server, where they can be shared with colleagues who can in turn edit them. Let's check out Google Tools and Apps together!

Virginia Biomedical Association

Flexible Endoscopy Repair :

Instructor: Paul Mignone
Lead Technician/Staff Educator

I. Introduction:

1. Flexible Endoscope Components/Anatomy
2. Common Faults
3. Damage Prevention

II. Endo View Diagonistic Tool:

1. Demonstration of Endo View Camera System

III. Hands On With Parts

IV. Question and Answer Portion

Estimated duration of program 1.5 to 2 hours depending on class participation

The VBA welcomes our Keynote and lunch Speakers:

Thursday Keynote:

Jonathan A. Gaev, MSE, HEM, CCE, PMP
Businessline Manager, BiomedicalBenchmark™

Jonathan has worked at ECRI Institute for over 15 years, managing technical projects, evaluating medical technology and lecturing on patient safety, healthcare information systems and on the planning, procurement and management of medical equipment. Currently he is the Business Line Manager for our new product BiomedicalBenchmark™ and made significant contributions to the product design.

He has published over 25 articles and delivered over 100 lectures throughout the world on the planning, procurement and management of medical technology.

He earned Masters degrees in Biomedical Engineering and in Systems Engineering at the University of Pennsylvania. He has a Bachelor of Science degree and a Bachelor's of Science in Electrical Engineering, both earned at Drexel University. He is Certified Clinical Engineer, Healthcare Environmental Manager and Project Management Professional and is a member of AAMI, ACCE and HIMSS.

Thursday Lunch:

Mary K. Logan, CAE

President - AAMI

Award winning, visionary senior executive and collaborative leader with inspirational style and demonstrated track record in developing and realizing highly successful initiatives and public/private partnerships. Accomplished strategic and contingency planner, with particular knack for inspiring teams, leading organizational initiatives and convening groups to work through complex problems and conflicts by establishing a shared context. Skilled in project sponsorship and management, environmental scanning, trend and market analysis, opportunity identification, crisis preparation and intervention, dilemma analyses, mediation, facilitation, due diligence and financial management. Successful mentor and coach with outstanding presentation and written and oral communication skills. Relied most on ability to bring diverse people together to do their best work.

Friday Keynote:

Dr. Randolph T. Barker

Dr. Randolph T. Barker (Randy) is a tenured Professor of Management at Virginia Commonwealth University's (VCU) School of Business. He teaches at the doctoral, masters and bachelor levels in the areas of organizational communication, team development and strategic change. He is a Professor of Healthcare Administration for the Medical College of Virginia's Healthcare Fellows Program and teaches in the Fast Track Executive MBA Program (past Faculty Advisor) and the Fast track Executive Information Systems Program in the VCU School of Business. Dr. Barker has also worked in the private sector with Union Carbide as an Employee Relations Associate and in the Public Sector as an Executive Assistant. Dr. Barker is a graduate of Florida State University.

In the areas of teaching and research, Dr. Barker has been recognized internationally by receiving The Association for Business Communication Outstanding Teaching Award in 1994 and in 2004 the association's Outstanding Research Award; regionally by receiving The Virginia Commonwealth University Outstanding Teaching Award; and locally by receiving the VCU School of Business Outstanding Teaching Award. His research has also been recognized by receiving the School of Business Distinguished Research Award, and highest School of Business award-The Award of Excellence recognizing achievement in the areas of Service, Research and Teaching

TRAINING ACADEMY

Philips IU22/IE33 Service Training

Course

The IU22 and IE33 are the flagship ultrasound platforms manufactured by Philips. The IU22 is primarily a general imaging system while the IE33 is the premier cardiac system. Both systems offer excellent image quality and ergonomics. This platform is built on similar architecture of its predecessor the HDI 5000.

The IU22/IE33 service training course is designed for the ultrasound service professional. This course will focus on the system as it pertains to theory, architecture, block diagram and functional repair.

Outline

- Basic Theory
- System Familiarization
- Manual Overview
- System Architecture-Common Failures
- Troubleshooting-Replacement
- PM Procedure
- DICOM Connectivity

The course is completely hands on with labs focusing on scanning techniques, common failures, and board/module replacement.

This is an advanced imaging course and offered to engineers with experience

*** Class size is limited and pre-registration is recommended***

VBA ANNUAL GOLF TOURNAMENT 2009

Please join you fellow VBA members in the 2009 Golf outing. This year's event will be held on Wednesday the 16th of September on the Championship Course at Newport News Golf Club at *Deer Run*. www.nngolfclub.com. You may enter as a team or individually and you will get placed on a team. The price to play is \$300.00 for a team or \$75.00 for an individual. The price includes Range Balls, Golf w/cart, and a dinner after golf & prizes. Prizes include 1st and 2nd place for teams plus prizes for 1 longest drive hole (to be determined by course) and 2 closest to the pins (holes to be determined by course). Please contact Kevin Breen if any questions. 757-886-6053.

Newport News Golf Club at Deer Run is located on the beautiful Peninsula of Virginia. With its great central location in Tidewater, the golf courses are just minutes away from Historic Williamsburg and Yorktown and 45 minutes from Virginia Beach.

Directions:

- Exit from I-64 West at the Ft. Eustis Exit towards Yorktown (250 B).
- Turn left at the light at the bottom of the ramp onto Route 143 North (Jefferson Avenue).
- The next light, turn right onto Route 105 East (Ft. Eustis Boulevard).
- Turn left at the next traffic light onto Clubhouse Way.

This is the entrance to the Club.

-Or-

- Exit from I-64 East at the Ft Eustis Exit towards Yorktown (Exit 250 B).
- You will be traveling on Route 105 East (Ft. Eustis Boulevard).
- Turn left at the second traffic light onto Clubhouse Way.

This is the entrance to the Club.

(Continued from page 1)

tions later in this issue or go to www.vabiomed.org/awards to complete the nomination electronically.

We also fill several Board of Directors positions every year through a secret ballot process. We are always looking for nominees so please feel free to nominate anyone that you think would make a great addition to the VBA BoD, including yourself, and we will gladly add them to the ballot if they agree. Please make sure to look for the ballots at this year's annual meeting and cast your vote.

I hope to see all of you in Williamsburg in September.

*Take Care and be safe,
Greg Mika-President*

**Please Check Website for
Changes to Schedule**

www.vabiomed.org

ZOLL Medical is presenting two classes on their “M” and “R” Series Biphasec defibrillators.

Thursday Sept 17th—All Day

A review of the “M” Series options, configuration, software versions, data transfer/download, problem troubleshooting and minor repairs. Also included is a Block Diagram review and disassembly/reassembly. Attendees will be paired up to disassemble/reassemble M Series units as part of this class.

Friday 18th - 8 Am –12 Noon

Continuation of the “M” Series class

Friday 18th - 1PM - 4PM

A review of “R” Series options, configuration, software versions, data transfer/download, problem troubleshooting and minor repairs.

Equipment and handouts for each class will be provided by **ZOLL** for both sessions. Class sizes will be limited to 15 so get there early.
